Stately.

Connectives. For more formal settings, a solid answer: traditional, solid-wood Connectives offers state of the art wire management.

HARDENcontract

Sustainable.

Harden hand-crafts all of its designs in solid hardwoods from its ancestral forests, first in the industry to be recognized by the Sustainable Forestry Initiative®.

Our non-toxic, natural case-goods can be refinished and reused for generations, making waste a dim, distant prospect.

And pleasing the most ardent environmentalists.
