Experience Series Collection: Unopiu

Description:

The Experience Series is an outdoor line consisting of a dining table, sofa, armchairs and a coffee table designed to furnish dining-areas and conversation corners. It has a visible graphite powder-painted aluminum frame; table top, sofa and stacking armchairs' seats and backs are in WaProLace®, an unalterable hand-woven synthetic fiber in antique brown color. The armchairs and sofa stand out for their intentionally low seats and slightly inclined backs. To view the dining table click on the "Multiple Views" button below the image.
